Dear Sir .- This is to certify that I have sold at retail 154% dozen (1.852 bottles) of your Vegetine since April 12, 1870, and can truly say that it has given the best satisfaction of any remedy for the complaints for which it is recommended that I ever sold. Scarcely a day pas-es vithout some of my eustomers testifying to its merits on themselves or For the Middle States and Lower Lake re- their friends. I am perfectly cognizant of several cases of acrofulous Tumors being cured by VEGE-

TINE alone in this vicinity. Very respectfully yours, Al GILMAN, 468 Broadway. To H. R. Stecens, Esq.

VEGETINE

WILL CLEANSE SCROFULA FROM THE SYSTEM.

HONEST OPINION.

Mr. H. R. Stevens:

Mr. H. R. Stevens:

Dear Sir,—This is to show that my son was taken sick in January, 1864, with serofula, which came ont in large somes and ulcers on his leg and hip. His leg was swelled more than twice its natural size. He had several dectors of high standing in their profession—two from Roston and three from Charlestown—without getting a bit better. He was obliged to the wherever he was placed, for he had no use of his himos whatever. When we had given up all hopes of his living we were told to try VEGE-TINE, the great blood-remedy; and he had taken it but a short time before we could see a great change. The sores ran so had that we had to change the cloths four or five times a day. Still, he was getting better; for he could move his dimbs and nelp himself a little. He was soon able to sit up in hed, and by constant use of VFGETINE it has cured him, he has a lame leg, which he will probably have for life; but we all hou-stly believe if we had used VFGETINE before we had bothered with the sedectors it would have saved the use of his leg and restored it to natural peath. I hope all those troubled with Scrofula will read this testimony of me and my son, who is now well and able to speak for himself.
